Professional Summary

Hard worker, fast learner. I love solving problems and building things. From the tiniest detail, to the largest projects, I delight in the art of making code work.

I always strive to do my best to help bring ideas into reality, and I find great joy in constantly learning and growing through these processes.

Authorized to work in the US for any employer

Work Experience

Senior Full Stack Developer

InMoment-Salt Lake City, UT
April 2022 to Present

As Senior Developer for the Marketing Team, I create performant and robust front end utilities and pages for our main site, inmoment.com.

The site is a multi-lingual beast with hundreds of editors contributing to content. It is by far the largest scale site I've worked on, and I love it!

Freelance Web Development & Design

Chase Cee Web-Salt Lake City, UT
January 2012 to Present

• Create, code, and design full scale websites for all types of businesses
• Manage all projects from concept to launch
• Work with clients to achieve their goals even after launch offering hosting and training

Head of Wordpress Development

doxy.me-Salt Lake City, UT
October 2020 to April 2022

• Rebuilt marketing site from the ground up with performance in mind
• Used Tailwind, Web pack, Javascript and other modern tools for building theme
• Went from 23% Pagespeed score to 95% after the rebuild

Front End Developer, Wordpress Developer

Edge Multimedia-Portland, OR
October 2019 to March 2020

• Redesigned main company website: https://edgemm.com
• Helped formulate and design client specific products

- Worked with development team to conquer large scale Wordpress builds
- Designed financial calculators as a plugin to add to client sites

Front End Developer

IQVIA-Seattle, WA

July 2018 to March 2019

Developed high fidelity prototypes of IQVIA Health Data products
Worked with UI/UX teams to build and test design systems
Integrated our design systems into legacy applications

Lead Developer

Arena Online-Salt Lake City, UT

August 2014 to June 2018

- Developed all websites and managed hosting internally.
- Oversaw sites being designed and offered solutions for designers and clients.
- Notable projects: https://johnkasich.com, https://brucerauner.com, https://fixillinois.com, and https://online.arenacomm.com

Graphic Designer

SUU Marketing-Cedar City, UT

August 2011 to December 2012

- Developed event posters for guest speakers, concert recitals, dance events, and much more.
- Worked on marketing campaigns for the theater department.
- Coordinated with event organizers to deliver the most effective marketing.

Web and Print Designer

Steinway Management-Provo, UT

May 2012 to August 2012

Designed websites, product packaging, and email campaigns.
Managed the product lists on online stores.

Education

Partial in Graphic Design, Web Development, UX/UI

Southern Utah University-Cedar City, UT

June 2011 to December 2013
